

### **Greeting Dear Pink Paddlers Teams,**

The Executive Committee of the 2º Festival de Dragon Boat para Mulheres Sobreviventes do Câncer de Mama (2nd Dragon Boat Festival for Women Breast Cancer Survivors in the Distrito Federal) is extremely happy with everyone's interest in participating in the event that promises to be a milestone in our hearts and paddles. Our aim is to unite, strengthen and get to know all the pink paddlers from Brazil and neighboring countries; and to strengthen ties between sisters who are bravely fighting for well-being and good living through collective canoeing in the Dragon Boat style. In addition, we will also have the 2nd National Meeting of the Pink Paddlers (2nd National Meeting of Pink Paddlers), which brings the strength and resources that we can add to our teams of breast cancer survivors. Here are some guidelines:

### **1. REGISTRATION DATE EXTENDED:**

Faced with requests from national and international pink paddlers teams, the event's Executive Committee has considered the requests and extended the **REGISTRATION** date, on the Hotmart platform, to **May 10, 2024, until 11:55 pm**. The link to registration information is available on the website: [www.canomama.com.br](http://www.canomama.com.br) or on the Instagram link: <https://linktr.ee/canomama>

### **2. MEDICAL CERTIFICATES:**

The Executive Committee requires medical certificates proving physical fitness (medical clearance for physical activity) and another proving that the paddler was a breast cancer patient (biopsy tests will not be considered valid as a certificate). The medical fitness certificate is valid for six months in relation to the festival's activities, i.e. it must be issued from April 24, 2024 until the date of the event.

Both copies of the medical certificates must be presented at the Registration Area or Secretariat of the event. Failure to present and deliver copies of the medical certificates will prevent the pink rower from taking part in the nautical activities and courses offered at the festival.

The documents will be added to Google Forms, with information on each member's T-shirt number, body weight and blood type, as a way of ensuring greater safety during the event.

### **3. TEAM HISTORY:**

<https://www.canomama.com.br/festival-de-dragon-boat>

So that we can publicize the team's participation in the festival, we ask that you send information about (send to us, [festivaldragonboatbsb@gmail.com](mailto:festivaldragonboatbsb@gmail.com)) :

- \* How the team name came about;
- \* The team's objectives;
- \* Curiosities about the team;
- \* Team photo;
- \* Team logo.

#### 4. BOTTONS/PINS:

Shall we get to know our paddlers sisters? The proposal is that each team can make or have made *bottons/pins* with their logo to be exchanged with other teams. These *bottons/pins* will be placed on the badge ribbon to mark this beautiful moment at the Festival (they will serve as a souvenir).

Teams that don't want to have *bottons* made can use their creativity by making other treats and souvenirs.

For example: ribbons with pins, brooches, crochet and others.

#### 5. FOOD:

At the Ascade Club, we will have a restaurant with *buffet-style* meals, with a variety of proteins (meat, chicken, fish), side dishes such as rice, beans, salads, vegetables, with an average cost of 30-35 reais (paid for by those registered for the event, yet to be informed by the restaurant).

The festival's Executive Committee will **NOT** cover meals and drinks consumed by participants at the Ascade Club.

There are a few restaurant options near the location, but it is a little far away, so it is necessary to use transportation paid for by registrants, such as UBER, cabs, etc.

#### 6. STANDS:

The event's Executive Committee will provide a small space (1m<sup>2</sup>) for each team, where they can display their materials to be sold.

For example: T-shirts, caps, mugs, handicrafts and food typical of the state or country, among others;

**7. FESTIVAL LOCATION:**

Clube Ascade | Website: <http://associacaodacamara.com.br/portal/>

Address: St. de Clubes Esportivos Sul Trecho 2 - Conjunto 10 Lote 18 - Asa Sul, Brasília - Distrito Federal, Brasil, CEP: 70200-002.

Google Maps: <https://g.co/kgs/Dr69nDc>

The 2º Festival de Dragon Boat para Mulheres Sobreviventes do Câncer de Mama and 2º Encontro Nacional de Remadoras Rosa (2nd Dragon Boat Festival for Women Breast Cancer Survivors in the Distrito Federal and the 2nd National Meeting of the Pink Paddlers) is organized and held by the Associação Canomama - De Saúde, Esporte e Cultura do Distrito Federal, located in Brasília-DF, Brazil.

It is an official event of the Remadoras Rosa do Brasil (Pink Paddlers of Brazil) and is being supported by LatinoAmérica en Rosa (Latin America in Pink).
